DELUXE

Breckenridge Deluxe fireboxes allow you to create the look you want for your fireplace. Available in 32”, 36”, and 42” models, the Breckenridge Deluxe is designed for use with Slope Glaze and Contour burners. Add an optional blower for increased heat circulation.

Personalize your unit with an assortment of decorative arched doors, louvers, and frames. Liners include options in ceramic fiber, refractory, and black porcelain. Surround your fireplace with a traditional-style cabinet or corner mantel in one of our finish types, or choose stainable hardwood.

BRECKENRIDGE FIREBOXES

PREMIUM

Breckenridge Premium - Breckenridge Premium fireboxes feature a larger viewing window, creating a showpiece for any room in your home. Available in 32”, 36”, and 42” sizes, the Breckenridge Premium is designed for use with Slope Glaze and Contour burners.

Complete with your choice from our ceramic fiber liners, decorative accessories, an optional blower, and a lighting kit compatible with switch or dimmer control. Finish the installation with a traditional cabinet or corner mantel.

TIMELESS WARMTH
SINCE 1932

Backed by more than 90 years of manufacturing excellence, Empire Hearth stands for proven quality, reliability, and trust.

SELECT

Our Breckenridge Select fireboxes offer a lot more fireplace with less of the firebox face showing. Available in 32”, 36”, and 42” models, the Breckenridge Select has compact outer dimensions and a low-profile top and bottom.

The Breckenridge Select can be installed at floor level, yet still provides the benefit of a recirculating firebox with optional blower. The low floor height allows for a natural, integrated look that creates the illusion of a site-built fireplace – at a fraction of the cost.

FIREBOXES

SEE THROUGH

The Breckenridge See Through Fireplace, a true marvel that brings the timeless allure of a traditional hearth to both sides of your living space. With its see-through design, the fireplace creates an enchanting visual connection, adding a touch of elegance and warmth to multiple rooms at once. The choice between two traditional logsets infuses your home with the rustic charm of a wood-burning fireplace, while the heritage brick liner exudes a sense of classic sophistication, making it a cherished centerpiece that resonates with warmth and nostalgia.

PENINSULA

The Breckenridge Peninsula Fireplace, where timeless charm meets modern convenience. With its captivating multi-sided design, this fireplace brings the allure of a classic wood-burning hearth into the 21ST century. The meticulously crafted logsets imbues your living space with rustic elegance, creating a cozy ambiance that harks back to cherished moments spent around a traditional fireplace. The peninsulas multi-sided construction allows you to enjoy the warm glow of the flames from different vantage points, making it a stunning centerpiece that seamlessly connects various areas of your home.

ROCK CREEK LOGSET

Breckenridge Multisided fireboxes are available in two options – a Peninsula (three open sides), or a See-Through (two open sides). Breckenridge

SLOPE GLAZE BURNERS

Our Vent-Free Burners are approved for use in any certified vent-free firebox. They may be also installed in an existing wood-burning fireplace, with the damper closed, to operate as a vent-free heating system. For applications where you want the ambiance of a fire without the heat, our Millivolt and manual burners are also certified for installation as decorative vented log sets.

ACCESSORIES

BLOWER & ACCENT LIGHTING

The optional automatic blower circulates the warm air throughout the room. Add the optional variable-speed control to adjust the fan speed.

An optional Accent Lighting Kit (LK3) for Premium and Select models creates dramatic shadows inside the firebox to provide visual interest, even when no fire is burning.

DECORATIVE FRAMES & DECORATIVE DOORS

Give your Breckenridge Firebox a warm, finished look with decorative frame and door options designed to complement your style. Available in a variety of finishes, these accessories pair beautifully with mantels, stone, tile, and other noncombustible surrounds while preserving a clear view of the fire and creating a polished, inviting focal point.

HAMMERED PEWTER FRAME

MATTE BLACK FRAME

DECORATIVE FRAMES & DECORATIVE DOOR

Our metal three-piece outer frames let you transition from your fireplace to any adjoining surface – wooden mantel, tile, stone, or any noncombustible material. Steel frames are available in matte black or hammered pewter.

The available bottom trim completes the fourth side of the color frame.
