VAIL FIREPLACES

VAIL DELUXE 26

Our Vail Deluxe fireplace is the perfect solution for your built-in or custom mantel fireplace needs. Or choose one of our standard cabinet or corner cabinet mantels, available in multiple finishes.

Choose from our mantel finishes and select either a modulating hydraulic thermostat or millivolt control for reliable, comfortable heat. For added convenience, you can enhance your fireplace with a wall thermostat, remote control, or thermostat remote. Optional accessories, including hammered pewter trim, a blower, and a banded brick liner, allow you to further personalize the look and performance.

VAIL DELUXE 26 SPECIAL EDITION

The Vail Deluxe is also available as part of the Vail 26" Special Edition. This complete package includes fireplace, mantel, Flint Hill log set with vent-free Contour burner, matte black hood, frame and louvers – even glowing embers.

VAIL SEE THROUGH

The Vail See Through Fireplace, a true marvel that brings the timeless allure of a traditional hearth to both sides of your living space. With its see-through design, the fireplace creates an enchanting visual connection, adding a touch of elegance and warmth to multiple rooms at once. The choice between two traditional logsets infuses your home with the rustic charm of a wood-burning fireplace, while the heritage brick liner exudes a sense of classic sophistication, making it a cherished centerpiece that resonates with warmth and nostalgia.

VAIL PENINSULA

The Vail Peninsula Fireplace, where timeless charm meets modern convenience. With its captivating multi-sided design, this fireplace brings the allure of a classic wood-burning hearth into the 21ST century. The meticulously crafted logsets imbues your living space with rustic elegance, creating a cozy ambiance that harks back to cherished moments spent around a traditional fireplace. The peninsulas multi-sided construction allows you to enjoy the warm glow of the flames from different vantage points, making it a stunning centerpiece that seamlessly connects various areas of your home.

ROCK CREEK LOGSET

Vail Multisided fireplaces are available in two options – a Peninsula (three open sides), or a See-Through (two open sides).

DECORATIVE DOOR FRAME ARCH

DECORATIVE DOOR MISSION ARCH

DECORATIVE DOOR PLAIN ARCH

DECORATIVE FRAMES & DECORATIVE DOOR

Our metal frame and door options provide a seamless, finished look while enhancing both safety and style. Designed to complement a variety of surrounding materials—wood mantels, tile, stone, or other noncombustible surfaces—these durable steel components create a clean transition from fireplace to room.

OUTER FRAMES & BOTTOM TRIM

Our metal three-piece outer frames let you transition from your fireplace to any adjoining surface – wooden mantel, tile, stone, or any noncombustible material. Steel frames are available in matte black or hammered pewter.

The available bottom trim completes the fourth side of the color frame.
